

Call for Applications

This autumn, the European Youth Parliament Switzerland is proud to host its 17th National Selection Conference in Romanshorn from the 4th to the 8th of September. We are now holding an open call for Vice-Presidents, Chairs, Editors and Journalists. The session will be presided by **Jari Marjelund (FI)**. Under the session theme “Citizenship and democracy in Europe”, participants of Romanshorn 2013 will consider the significance and conception of political participation and democratic governance in Europe. Participants will be working with some 100 delegates from Switzerland, Sweden and Spain, a majority of which have attended a Regional Session of EYP Switzerland.

Officials will be expected to arrive in Romanshorn on Tuesday the 3rd of September 2013 and will be free to depart on the evening of Sunday the 8th. The host town, Romanshorn, is easily accessible by train (a good hour from Zurich International Airport, two from Euroairport Basel-Mulhouse-Freiburg) and boat from Friedrichshafen in Germany or Bregenz in Austria.

For further information about the session, please visit the session website or feel free to send an email to sophie.debrunner.hall@eyp.ch.

Applicants should fill in the application form (<http://eyp.ch/romanshorn2013-application-officials/>) by Sunday, the 16th of June at midnight.

Selection will be conducted by the Board of EYP Switzerland and the President of the Session, Jari Marjelund. Whilst the selection panel will seek to form a balanced team with regard to nationality, gender and relevant experience, the crucial selection criterion will be the quality of the application.

All applicants will be informed individually of the outcome of their application shortly after the deadline. The editors will be informed before the team is announced and included on the selection panel for the media team. All applicants will receive feedback on their applications if they so wish.

We look forward to receiving your applications!
